To: Nursery Staff here are a few notes about the nursery. I thought this would help some of our new helpers and prevent having a meeting. If you still have questions or concerns please contact me. I will try to answer them or if we need we can have a meeting to discuss concerns or new ideas😊.

Thank you again for helping in the nursery. There is a sign in sheet on the counter outside the nursery. Please ask families to sign their children in when they drop them off. The door is nice to keep shut so we can see out but still keep children contained and safe. There should always be two people in the nursery so if a child needs to use the restroom, returned to their family, or an emergency, there is an extra staff person. If you only have one person show up please find a member of the nursery staff at church or another adult or older student who would fill in.

There are wet wipes on the shelves, or soon to be shelves. In the drawer are also extra snack supplies. Each week the person listed first should bring a snack for the children. We have been putting leftovers in the drawer in case you would forget there is something for the kids to have. If you see your snack from the month before in the drawer please toss it, so the snacks stay fresh. Thanks 😊! There are also Capri-Sun juice boxes in the refrigerator for nursery, extras are stored in the cabinet right outside the nursery door on the bottom shelf. If there aren't any left please write a note to Alice to let her know and put in on her desk. She has a membership at Sam's Club and has been picking them up for us.

If toys get put in a child's mouth a lot or would just need clean, please wash it off or place it in the basket on top of the shelf with the hooks and I will wash it my week.

I can't express enough how thankful I am to each of you for assisting with the nursery. It is a great service our church has to offer, but it couldn't be done without your help.
